- You are completing or have graduated from a program of study at a different branch or location of the school that closed.

If you meet the eligibility requirements for a discharge of loans you obtained to attend the Chicago campus, you can contact your loan servicer to speak with them about the application process for getting your loan discharged.

- Be sure to continue to make payments on your loan while your discharge application is being processed.

- Find out what happens if your loan discharge is denied

If your school closes on or after July 1, 2023, and you meet the eligibility requirements for a closed school discharge of your loans obtained to attend the closed school, you will generally receive an automatic closed school discharge one year after the date ED establishes as the school's official closure date. This discharge will be initiated by ED and you will be notified by your loan servicer.
